

If crack smoking is a disease, you have two options: go to treatment and practice the 12 step program. Or ask God for a miracle and heal you from the disease. If crack smoking is of a curse (Internalized racism) the only option is the way of it being broken by faith in Jesus Christ. For the earlier part of my crack smoking eye was going in and out of the rooms of recovery. Eye had accumulated some clean time by working steps, working with a sponsor, and making meetings. To be honest eye didn't feel safe discussing my personal information in the rooms of Narcotics Anonymous, however eye did. When N/A and A/A were formed they left the church to build recovery. They left because they didn't or couldn't get free from drugs in the time they expected for God to do it. Then they went to the rooms of recovery and the process didn't go any faster. They were still using after the groups were built. And it took the time it took for them to become free. If that were the case, of them going and starting these groups they could have waited on God to do it in the church. It didn't happen for them any faster over there. We wait on God, be of a good courage and the Lord will strengthen your heart. (Psalms 27:14) Too many times we leave without giving God a chance to do it. He is God and He knows what He is doing in your life. His plans for you are good and not evil, plans to prosper you not to harm you and give you a hope and a future. (Jeremiah 29:11) eye was on a run in the year of 2017 and in 2019 eye had received the revelation of crack smoking being a curse of internalized racism. Eye had received a revelation of this from being in college and studying the disorder of internalized racism for a project eye had in an abnormal Psychology class. Eye remember vaguely thinking of crack smoking as spiritual slavery. Come down upon us by ways of the same slave task masters of literal slavery. Because internalized racism is a result of physical slavery (or racism) because if we were to look and judge things by what we saw with our literal eyes. Who could blame a kid who had developed internalized racism growing up in the 80's and if the parents are disillusioned well then God bless the kids, right? God allowed me to get to the root of my crack smoking, and the root of the troubles my parents had faced. It had been passed down to me. Eye believed the lie of the enemy. So internalized racism along with poverty would fall under the

category of a curse, in religious circles or the church. So from there eye took these matters to the throne of grace. Eye had found myself in a wilderness experience anyway. It was a time for me when my mother had recently passed, eye had been rejected by my church home. Due to this eye was struggling with depression, anxiety, and PTSD. eye was left alone to deal with this; if it had not been for God this would have left me permanently insane. So along with internalized racism eye took all of these things to the communion element table. Eye was already on an anti depressant, and anti anxiety medicine. So when eye took these matters to the communion element table, it immediately sent the crack smoking away, eye then was able to see my mental health medicine working again in my life. That's why eye said earlier if it is a curse of internalized racism then the church can help with that. He has been canceling out curses ever since Jesus died on the cross. But wait a minute let me tell ya'll how the Lord revealed this to me, (that freedom from the curse of internalized racism or crack smoking was found in the communion elements) first off the spirit had impressed upon me to go and get communion elements. Then one day eye was sitting in my bedroom reading my bible (eye hadn't received the communion yet.) but eye am reading my bible and eye go to Psalms 23:05 " He prepared a table before me in the presence of my enemies. He anointed my head with oil and my cup runneth over. So God began to show me how internalized racism was an enemy along with depression, PTSD, and anxiety. The things eye was struggling with. And how Judas sitting at the communion element table actually was representing these enemies eye was faced with. And also how he was representing the serpent in the garden of Eden. eye have heard other philosophies about how Judas was the serpent in the garden of Eden. God gave the serpent a word in the garden of Eden that we would have to see Him fulfill. " And eye will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel." (Genesis 3:15 KJV) But this is where every bad thing that has happened in our lives has come from, the encounter that Adam and Eve

had with the serpent in the garden of Eden. and write here at the communion element table is where we can see the reversal of everything bad happening in our physical bodies King Jesus said "With desire eye have desired to eat this passover with you before eye suffer." He cancelled out addiction to crack (or internalized racism) because it is a curse, and King Jesus becoming a curse for us cancels out every curse that we would be faced with. "Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree" (Galatians 3:13 KJV) But the kicker is this if we were working in order, still referring to psalms 23:05) what happened after the communion element ceremony after Jesus ascended into heaven? "He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water" (John 7:38 KJV) this is very close to the statement King David made after " He prepared a table before me in the presence of my enemies, states: "my cup overflow" three simple but profound words. He was pointing to the communion elements in Psalms 23:05. And the outpouring of the holy spirit. And if you are kind of sceptical, so was eye ,until eye received the communion elements and the crack smoker went away. Eye said to God that's all the proof eye need. What N/A couldn't do, what doctors and therapists could not do low and behold He prepared a table before me in the presence of my enemies he anointed my head with oil and caused my cup to overflow. To God be the glory, To so a seed go to the front of any of my ebooks. Thanks for reading!
